OLD BUSINESS:

Banquet

Total profit \$4,554.84 without meals subtracted

Mystery Raffle #1 barely profited, poor location, better seller, suggest sellers wear something to make them stand out

Otis recommends 3 spins for \$20 next year, not 5 spins, made people wait and some left
Mark reported good fun in trying to find the "special" shell worth more tickets

Discussion held on amount of food, ran short, we paid for 150 meals and served 147 people

Plan to check out options for having meals catering, hall rental is \$100 plus table cloth fee

Ron noted problems in dealing with current facility, looking around

Will contact other halls to explore options

Outhouse Race

Otis noted that we should send Dave Cunningham a gas card

Parking was a long ways, shuttle recommended, Ron will talk to county about parking lot

Recommendations: announce names of racers, moving scaffolding closer to the finish line with better mic connection, paper serving trays in the kitchen,

In tent volunteers were SO helpful, made more profit in the bar than ever

Course: packed course for two months, can't do anything different with soft areas

Rent the entire PWSA facility?? Probably not. Lions Club could not.

Kids race: Otis thought there'd be more, run them in both directions or have circle track, have kids sign up at the start line

Registration fee: make the entire amount required

Raffle: Winner was VERY happy, no changes recommended

Advertise that there is a house to push if someone has team without a house

Mouse game: Susie did a good job, need mouse warmer, \$5 paddles went best

Food stand: need more hotdogs, less chili, more water, sausages sold 110, sold #90 pork

Eric would like to give something to Tyler Pockat's class, recommended some rough cut wood, Ron has a bunch of cedar from bluebird houses

Motion was made by Otis G, seconded Tonia S to donate this cedar to Gilman Tech Ed

Medford Chamber of Commerce tent: does club want to change something, Eric thinks price of tent will go up next year, will discuss purchasing tent at annual meeting

Tree packs

Annual meeting will take place on April 17 at 8 pm at P Town with a meal (some potluck)
