More pails for cleaning, need 12 at least, next year call Rosie

Had 15 pontoons, 90 seniors went fishing total

Holly figured we served 162 people

Otis will do 50 lbs of fish, but two fillets on each tray instead of three

There were 90 lbs, or 2.5 cases of chicken

Buns about the same, had a few extra but that's okay

We were short on ice, have more people get some

Harold reports that there are about 45 poles right now

Harold: Otter Lake Bait will get us the entire setup for \$9.75 each

Motion made to buy 100 more poles (hook, line, sinker, bobber) made by Curt G, and seconded by Otis

Tonia noted that Dick at the Bait Shop got his suppliers to donate the bait, saved us \$200

There was sufficient bait again this year

Need to check into getting more 4-wheelers for next year
