

Perkinstown Outhouse Race

Sponsored by Chequamegon Wildlife & Rec Club

Dear Outhouse Racing Team Leader,

The 2010 Perkinstown Outhouse Race is just around the corner. Is your team getting in shape for the big event? I'm sending you this letter to let you know about a few things that have changed for the 2010 event.

The event is on February 27, 2010 at the Perkinstown Winter Sports Area. **Please register from 11:00 am to 12:30 pm, with a pre-race meeting at 12:45.** Remember, all concerns will be discussed before the race during the pre-race meeting. With this in mind, please come early enough to give yourself time to look over the competition. Spectator concerns will not be addressed, only racer's. We can not address outhouse construction issues raised after the race.

Please fill out the enclosed registration form and participant waiver in advance to save time. Mail them in advance or bring these the day of the race.

New in 2010, **WE WILL BE HOLDING KID'S RACES.** We will provide a scaled down, lightweight outhouse for the kids to show off their pulling abilities in teams of two kids. Do not make your own throne for the kids please. The kids will be racing on a short flat portion of the course in front of the spectators. Awards are planned, but there will be no entry fees or prize monies for kids races. Kids age 4 to 17 are welcome to try it out. Guidelines and divisions will be announced at the event. Bring a bike helmet or use the one we have on hand to keep the kids safe.

RULE CHANGES IN 2010: (see enclosed official rules for more information)

Rule #3: The entry fee has increased from \$10 to \$20 to allow for larger payout and division of ages.

Rule #4: There will be **four age divisions and the total entry fee collected in each age division will be awarded to the fastest team in each age division.** Example: if there are ten teams in the 18-39 age division, the prize money will be \$200 for the winner of this division. If there are three teams in the 50-59 age division, the prize money will be \$60 for the winner of this division.

Rule #4: Your team's age will be determined by averaging all pushers/pullers ages and will not include the rider. If a rider and pusher swap positions during the race, all five ages will be averaged.

Rule #5: Rather than a staggered start like we did in 2009, each team will start the race following the completion of the course by the previous team.

That's about it for now. We're planning and having a similar course to last year in the same location. I've also got more beverages ordered, so bring your friends. On behalf of all the organizers of this event, we look forward to seeing you again this February.

Sincerely,

Eric Zuleger, Co-Race Marshall
(715) 427-1002

NEW APPAREL IN 2010: If you're interested in reserving an official race sweatshirt in a specific size, please call in advance.
